

FREE iPad Introduction CLASS!

Presented by Commonknot Consulting

Got a new iPad for Christmas?

Bring your iPad with you to this free workshop to learn how to:

- Download an "APP" & check your e-mail
- Take Pictures & "Face Time" with family & friends
- Read articles from online news sources & get the local weather
- Get familiar with this technology changing device

If you are interested in learning how to use your iPad more fully, Commonknot Consulting warmly invites you to attend this **FREE iPad Introduction workshop.**

To register, you may call us at 240-362-7893 or go to our website link:

www.commonknot.com/workshop
